The White House  
Washington, DC 20500

Dear Mr. President,

Two years ago today, you signed legislation making Raoul Wallenberg an honorary American citizen. On that occasion you pledged your earnest support to Wallenberg's family and to the people of the world that the United States government would act to secure his freedom.

On the second anniversary of that event, we think it appropriate to reaffirm our commitment to this man, who exemplifies the ideals which we as Americans hold sacred.

We recognize and appreciate that you have made Wallenberg a symbol of humanity, decency, and heroism around the world. We urge you to continue and intensify your efforts and the efforts of the United States government in locating Wallenberg and securing his return to freedom.

Sincerely yours,

Tom Lantos, MC
